

# STUDENT ENROLMENT FORM

This form is designed to be used for enrolling students in Victorian government schools using CASES21.

## Schools, please note:

It is imperative that any enrolment form the school provides to parents/guardians contains the questions marked with the symbol ❖ (and shaded yellow) exactly as they appear on this form. This is a requirement of the Commonwealth Government.

All schools across Australia are required to collect this information for all students. Critical to the success of this process is that all schools use the nationally consistent definitions for student background characteristic information exactly as they appear on this enrolment form. The data obtained from this process is linked to student results on national tests, aggregated, provided to the Ministerial Council on Education, Employment, Training and Youth Affairs and published in such publications as the National Report on Schooling in Australia. No individual student or school is identifiable through the published information. [Refer to Circular 291/2004 for more information.]

A copy of the School Enrolment Privacy Notice must be attached to this enrolment form before distribution to parents and guardians as this is a requirement of the *Information Privacy Act*. A template of the School Enrolment Privacy Notice is located at <https://edugate.eduweb.vic.gov.au/Services/privacy/Pages/resources.aspx>

Explanations of the Parental Occupation Group codes are included at the end of this document.

### School Promotions and Photographs

At Wallington Primary School we celebrate the efforts of our students by mentioning their participation in school events and their achievements in our school newsletter. Occasionally photographs of students are included, we also use photographs of students in our school magazine along with examples of their work. Photographs of students are on our intranet site. On the school website there may also be images of students, identifying a student by their first name or class. We allow parents to record school performances as this creates a memento that can be shared with other family members. Video or audio recording is permitted at school under a copyright license paid by DET on behalf of all government schools (AMCOS/ARIA license). We invite local press to school events and they are expected to follow school policy on the publication of photographs of students. When a story is about an individual achievement we will always ask your consent before passing information or photographs to the press for publication. If you have any concerns about how photographs of your child may be used by the school please let us know.

I give my consent for my child's photograph and work to be taken for use in School publications and promotional materials, eg. newsletter, magazine, newspapers and the schools website.
