Life Education Victoria 2015 Visit

Dear Parents

As part of our health education this term we are having the Life Education mobile classroom visit our school on Tuesday April 21 and Wednesday April 22nd.

Life Education has been visiting our school for many years and is always a highlight, and helps to facilitate the development of the life skills in students to develop and healthy lifestyle and prevent and minimise the harm of drug misuse.

Lessons are always age appropriate and the children will be covering a wide range of drug and health related topics, ranging from the human body and how it works, healthy eating and nutrition, medicines and drugs, bullying, resilience and social skills. Healthy Harold, the much loved Life Education giraffe mascot is always a much anticipated element of the Life Education visit. The sessions are always fun, interactive and really extend and develop the children’s understanding of the topics covered. We will be further broadening these topics in class both prior to and after the Life Education visit with the student workbook which is included in the cost of the visit. It is important that your child attend this session.

A summary of the sessions that your child(ren) will attend is on the front office window.

The cost for this incursion is $9.00 per child.

Please fill out the attached permission slip and payment and return both to school by the last day of Term One Friday 27th March.
