Welcome to term 3. I hope all families enjoyed a safe and happy school holiday break. It is wonderful to have students, families and staff back at school for what is sure to be a busy term.

As Acting Principal for this term, I have really enjoyed my first days at Wallington, getting to know students and families on a personal level. I have appreciated the warm welcome I have received and am looking forward to supporting all students to achieve their personal best, and all families to feel welcome and engage in the school community.

Our students have settled back into routines and are engaged in purposeful learning activities throughout the school. I have really enjoyed visiting each of the classrooms and getting to know the students as both individuals and learners.

Parent Opinion Survey
Each year schools are mandated to participate in the annual Parent Opinion Survey. This survey is an important part of parent engagement and assists our school with reflection, future planning and improvement. A random selection of families will receive this survey early next week, with surveys to be returned to school by Friday July 29.

As we highly value parent feedback, we will also be delivering an alternate survey to all families within the next few weeks to reflect on Wallington Primary School.
