### Pupil Free Day

On Monday 5<sup>th</sup> December we are having our final pupil free day for the year. **Students are not required at school on that day.**

### Victorian Curriculum

The Victorian Curriculum F-10 is the new curriculum for Victorian schools. It incorporates the Australian Curriculum and reflects Victorian standards and priorities.

The AusVELS curriculum was the initial incorporation of the Australian Curriculum areas of English, Mathematics, History and Science into the Victorian Essential Learning Standards (VELS). The AusVELS curriculum will continue to be available until December 2016.

Teachers have been working this year towards the implementation of the Vic Curriculum in 2017.

### Mosquitoes

Last week I published information from the *Principal Medical Advisor Early Childhood and School Education Group* about mosquito bites. Further information can also be obtained from the Better Health Victoria website: <https://www.betterhealth.vic.gov.au/searchresults?q=beat%20the%20bite>

A copy of the Beat the Bite poster is on display in the school noticeboard. Copies are also available at the front office foyer.

### PRINCIPAL NEWS

It is nice to see the sun shining today. Hopefully this will be a sign of better weather to come.

With this term more than half over, planning is well underway for 2017. Soon I will be able to announce the grade structure for 2017. We have had quite a few new families enrol for 2017. This has delayed the announcement of the grade structure.

### Swimming

The swimming program has gone very smoothly. Thanks to Mr Vaught for his organisation of the program and to the staff for supporting this worthwhile activity. Also well done to the students in grade Prep – 3 for the way that they have conducted themselves both on the bus and at the pool.

### School Council

The school council met last night. We had a very productive meeting. We were working on the data received through the recent parent survey. The information will provide actions for the school council to work on over the next 12 months and beyond. Thank you to those people who responded to the survey. The erection of a front fence and gate to the school was approved. Over recent weeks we have had unwanted people in the car park. This occurred either at night or during the weekend. It is unfortunate that we have to do this but it is necessary. The next meeting will be on **Tuesday 6<sup>th</sup> December.**

### Queenscliff Music Festival

Next Friday the Grades 3 – 6 will be attending a preview of the Queenscliff Music Festival. They will be traveling by bus leaving at about 11:00pm and returning at 2:30pm.

### Strawberry Fair

The next meeting is on **24<sup>th</sup> November at 7pm.**
