Don’t miss out on purchasing a Wallington Primary School Magazine so that your child can have a record of his/her year at school.

The school magazine has transformed this year from previous years as it now has a scrap booking and collage theme with more photographs of the students. The magazine will still feature reports by the Principal, the School Council and Parents and Friends’ as well as a class page from each year level.

The magazine price will be $7. Magazines are handed out on the last day of school after final assembly. (No exceptions to this).

Several sections of the Magazine are now ready to print so we need to know the numbers of magazines required. Due to the expense involved ONLY magazines prepaid for will be printed.

Printing starts on Wednesday December 10th, 2014.

Don’t miss out!
Please place your money and order form (in an envelope/zip lock bag)
in the appropriate white drawer next to photocopier
by Wednesday December 10th.

(Please – Cash purchases appreciated)
