I understand that the wristband will be available for pickup at the ticket booth 15 minutes before 10am and that it will give me unlimited rides until 3.00pm.
 I acknowledge that the school or ride supervisor cannot guarantee how many rides I have but the earlier I get to the Fair the more chances I have of having numerous rides.

If you pre-buy a wristband and the Fete is cancelled due to bad weather or high winds or any other reason, a full refund will be made. Once the Fair starts there will be no refunds.
