PRINCIPAL NEWS

As the weeks of this term marches on we seem to be getting hotter weather. It is important that children drink regularly. The students are regularly reminded to drink throughout the day. Parents are asked to do the same.

Whilst talking of hot weather the Department of Education and Childhood Development has asked that the following message be placed in school newsletters:

Children and Hot Cars. No Exceptions. No Excuses.

On hot days, it is important to remember that children should never be left alone in a car. The temperature inside a car on hot days begins to rise as soon as the door closes and within minutes the temperature inside can be double the temperature outside.

Leaving children in hot cars – even for a moment – can result in injury or death. Young children's smaller body size and underdeveloped nervous system places them at a much greater risk of life-threatening heatstroke, dehydration and other serious health risks.

Victorian legislation makes leaving a child unattended in a car a criminal offence, with penalties ranging from fines of \$2165 or three months in prison.

If you are travelling with a child in a car and you need to get out, make sure you take your child with you.

No exceptions. No excuses.

HOST FAMILIES NEEDED IN JUNE 2014 EXPERIENCE ANOTHER CULTURE, MAKE NEW FRIENDS IMPROVE YOUR LANGUAGE STUDIES AT HOME

In June we will be receiving exchange students from Europe, Japan, the USA & Latin America. Our new arrivals will live with a host family and attend a local school for 2 or 10 months. As we plan for their arrival, we are looking for host families across Australia to welcome these students into their home.

Hosting is an experience that is often referred to as a way to 'reignite your passion for your country', whilst at the same time creating bonds and sharing lifelong memories. Attached is a notice for your newsletter in a [PDF](#) format. We would appreciate if you could please download this for your newsletter, noticeboard or website.

All students have at least basic levels of English, would attend a school in your local area and live the life of a local. Our group of students cover a wide variety of interests and hobbies. If you would like to provide your students, parents or language teachers with further information on our inbound students you can also view some student profiles on our [website](#). Our staff members will be happy to discuss which student might be best suited to a family.

Hosting an exchange student can be a truly rewarding experience. It allows a family to experience a foreign culture first hand, be exposed to a new language and pass on a bit of our own culture. They might even make a friend for life!

"Hosting Kirstine has brought our family closer together. We're doing things we used to do when our kids were little, like boiling the billy, having a BBQ and baking apples up the paddock. She's helped us remember how to have fun when we're working and take time out for adventures." **Sharon, Host Mum**

"Being the youngest and the only one left at home I was looking forward to having another teenager in the house. While Charlotte helps me with my French I help her with her English lessons and I have taught her many Aussie words and sayings. We both love to shop and shop and shop..." **Grace, Host Sister**
