PRINCIPAL NEWS

No Assembly this week

Due to the Grade 5/6 Camp there will be no assembly this week.

Parent Opinion Survey

The 2015 DET Parent Opinion Survey will be sent home to 31 randomly selected families. This survey should take no more than twenty minutes to complete and the information obtained is used to support future planning and improvements at Wallington Primary School. The survey, once completed, needs to be returned by Friday 31st July to the school office. The results of this survey are shared with the school community via School Council later this school year. No individual data is disclosed, only aggregated data is used.

Car Parking

The school car park is a very busy area in the 15 minutes prior to and after school each day. Parents must accompany their child/ children across the car park to the school grounds and the reverse in the afternoon.

If using the drop off zone parents, are reminded that it is important to be aware that other cars may be moving past you and to check before moving from the drop off zone. We have had some near misses during the past few days.

Mrs Lynne Burgess

I would like to take this opportunity to say farewell and acknowledge Mrs Lynne Burgess, who was Business Manager at Wallington Primary School for some 20 years. Lynne is retiring on 24 July and for many families who know Lynne, I am sure you would join me in wishing Lynne a very happy retirement and send her all our best wishes.

Lynne also wishes to thank everyone at the school for their support and well wishes that she has already received.

Pupil Free Day

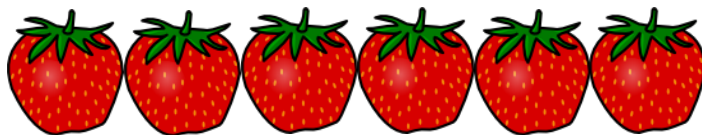

The 7th August is the next Pupil Free Day. Students are not required at school on this day.

Library Books and Take Home Readers

We are asking that every family have a good look around at home for any of the school readers or overdue library books. We are taking stock of what readers we have so that we can add to them.

Strawberry Fair Meeting

The first meeting of the Strawberry Fair 2016 is proposed for 13th Aug at 7:00pm in the staffroom. This is a most important meeting as we need to look at the structure of the fair and sort out who is going to do what jobs. If this is your first Strawberry Fair come along and see how you can get involved.

Are You Interested In Different Cultures?

World Education Program (WEP) is inviting you to experience another culture in your own home by becoming a volunteer host family to an overseas student arriving in January 2016. Hosting exchange students gives Australian families the opportunity to share their life and their culture with young international students for a term, semester or year. January is fast approaching and our students can't wait to hear from a welcoming host family they can call their own and learn about the place they will soon call home.

Hosting Is Fun! Request Student Profiles!

Getting to know your student before he or she arrives brings fun and joy to everyone involved. To help you make this important decision, contact WEP today on 1300 884 733, info@wep.org.au or www.wep.org.au to receive a full information pack for your family.
