PRINCIPAL NEWS

It is hard to believe that one quarter of the year is finished already. It has been a busy term, but as always we have enjoyed great support from the entire school community. This sense of community is one of the agreed values of the school and is one that is very special here at Wallington. One School One Purpose – providing the best education possible for our children.

ANZAC Day Service

We will once again, be commemorating Anzac Day at Wallington Primary School. This is a special event for the school on Friday, 22nd April. In my time at Wallington we have never done this. The student leaders will lead the students through the ceremony. We have a very special presentation to be made to the school at this ceremony.

The School will be also marching in the Barwon Heads Anzac Parade on Monday 25th April. One of our school leaders will be chosen to read a poem at this ceremony. Any student in Grades 4, 5, 6 are invited to march with the school. A note will be going home early next term.

School Council

Last night was the first meeting of the new school council.

The Parent Representatives for 2016 are:

- James Watson - President
- Kellie Tobin - Vice President
- Dave Evans
- Michelle Hughes
- Kerri Wrench
- Tracey Frigo
- A member of the Parents and Friends Group also hold a place on the council.

I thank these parents for giving up their time to be part of the school's decision making process. As a parent, this is one way that you can have input into the school's direction.

The Annual Report was presented. Copies are available from the office and will be able to be downloaded from the website on Friday.

Principal

The Car park

This is a reminder to everyone that children cannot go into the car park unless accompanied by an adult. Adults are asked to come over to the front of the school and collect their children rather than having the children come over to the car.

Schools Golf Tournament

Yesterday some students from Grade 5 and 6 competed in the Geelong Schools Golf Tournament. It was a terrific day for golf and the students really enjoyed them selves. Our representatives were:

Hugh	Jack	Harriet	Maddie
Luke	Zac	Joel	Gemma

All students shot a Personal Best on the day. A great achievement!

Congratulations to Harriet who won the day with a 59 for 9 holes. Harriet will now go on to the next level later in the year.

Lost Property

Please check the lost property – this has filled up again. Any unclaimed items eg lunch boxes, water bottles will be donated to charity or thrown out if not claimed by the end of the term.
